On Thursday last, February 10th, the ROSSER & MCCARTHY, Publishers and Propielors, To Wison Additional Additional Activities with the street, after whineshigh the ceremony of the drawing, and gave loud-spoken approval of the honesty of the Louisians State monthly drawing of the Louisians, and Jubal A. Early, of Vignicia, and Jubal A.

Rev. Harry Henderson, of Newport, Ky., Is in the city this week with his parents. He will preach at the Southern Methodist Church Thursday evening, and also Sunday morning and night.

Mr. and Mrs. John II. Hail and Misses Emma and Lena Means left for New Orleans, to visit the Exposition, at noon to-day by rail. They will be absent several months and during their stay in the South will visit all the large cities. Their friends wish them a pleusant visit and safe return home. friends wish toe... safe return home.

On the Sty.

Cunning, decletful, trescherous and sty
are the attacks of malaria. It iurks in
stagmint ponds or worsa its way in
through imperfect plumbing from unwholesome drains. Many miserable
victims of malaria sit down in their grief,
thinking nothing can be done for them.
Brown's Iron Bitters can restore them.
Dr. J. L. Myers, of Fairfield, Iowa, says,
"Brown's Iron Bitters is the best iron
preparation I have known in my thirly preparation I have known in my thirty years of practice,"

years of practice."

At Mt. Sterling on Monday John Gill and Howard Wilson, while attempting to arrest A. M. Bowling, Marshal of Farmers, Ky., were both shot by the latter, Gill was mortally wounded and Wilson shot through the hand. Bowling is the man who had Martin in custody when the latter was killed by a moh, near Farmers, some time ago.

### An Absent-Minded Member.

An Absent-Minded Hember.

(Chronole "Uustrouse.")

A well known member of Cougress in Washington was narried during this session. He was so busy he had no time to take a wedding trip. The third day of his new existence was an excessive worrying one, and, late at uight when he got through his duties, he walked quietly to his old boarding house, went to bed and forgot all about his wife, until the landiady asked him what he was doing there when he came down to breakfast in the morning.

ing Maluli on the Sandy Soil of sudan.—The Leaders Interviewed the Plan—Concentrating Forces to Capture Canada.

LONDON, Feb. 25.—A Paris dispatch gives an account of the congress of the Feuian dynamiters in that city. There were eleven delegates, two of whom represented the Irish revolutionary party in Great Britath; three were from the United States; two from Iraliand; two from the Continent, and two represented the internal than the Continent, and two represented the internal than the present of the internal than the corner with a manufacturer of dynamite. Every person present was armed with a revolver in resultness to shoot any detective who might interfere.

present was armed with a revolver in resultness to shoot any detective who might interfere.

John Morrisey, under the name of Kini, a
native of County Carlow, Iroland, prosided,
to the property of County Carlow, Iroland, prosided,
to the property of Kini was present as a superconditionary remarks of Kini were received
with chees, and Patrick Corecum made a
speech coalemantory of England, and advising a more extended use of dynamitic. He
advised its use in towns and villages. Several others discountenanced the sarrifice of
innocean people, multiching by ship, bereracks, and arsenals; but these counsels did
not prevail, and an attempt to bring about a
fusion of the dynamitors and invincibles was
frustrated by a telegram from Number One.

A proposal for an alliance with the fusion
inhibits was peak of formally condensed to
don'th null it was decided to send two men
bers of the dynamite faction, acquisited
with military tactics, to the camp of El
Madd, when it is proposed to instruct in the
use of a new dynamite cannon, the manufacture of o'their was present, and in expectation of heavy outers from the minds.

one of the "uninter viewed.
"It has been stated," said the reporter,
"that you are to be one of the leaders of the
expedition."

"that are needed and the feathers of the expedition."
"If the talk about the expedition is true it will not be given away to the messapeners, said Macedaras. "There is one man mentioned among the leaders of the expedition 1 know well. That is Oliver Pain, who is now with the mabil. He is a barver, resolute and reduced the mabil. He is a barver, resolute and reduced the mabil. He is a barver, resolute and reduced and the mabil. He is a barver, resolute and reduced and the mabil. He is no harder that he will reduce the mabil. He is no harder that he will reduce the said the

"I detect what is called the dynamitie war, which is simply assessination. Dynamitle has the legitimate uses in war. It is the substance out of which used to expect to have a secondariated. The mahld ought to have selectific men with him who ought to know how to make the Nile impossible."

"The mahld discense well supplied with rifles,"

"The unitdi seems well supplied with rifles,"
Yes, but a few bundles of congreve rock fix would be worth a thussand rifles to him."
"What good would they do?"
"If you ever saw a thoroughly frightened camel you would not sais. One camel slightly burned and body seared would break any Birtich square that ever was formed. I have seen one can'd absolutely throw a whole regiment into confusion before it could be killed."

Into Caunda,

BUFFALO, Feb. 25.—The News prints the following: "A servet meeting of the national executive countates of the firsh revolutionary army was held here. Delegates are known to have been present from New York, incidens were among them. It was determined to take advanage of Indunds present end and make an invasion of Caunda. The plan it is befored involves a crossing of the border at two or three different prints simultaneously, Haitab being one of them. The committee claim to be well supplied with arms, and are able to consense the second of the country of the well-second or them. The committee claim to be well-supplied with arms, and are able to consense as the country of the
